

DithioMAX 19-0-5 Fertiliser Plus **DIMENSION HERBICIDE**

**Australia's favourite pre-emergent herbicide
now in granular form**

FEATURES & BENEFITS

- ▶ **Quality pre-emergent herbicide plus controlled release fertiliser**
- ▶ **Cost saving of two treatments in one application**
- ▶ **Convenient to apply through fertiliser spreaders**
- ▶ **Eliminates spraying and the potential for drift to occur**
- ▶ **Safer handling and application due to low active ingredient concentration**
- ▶ **Made in the USA**
