

ALZON NEON

Fully stabilized nitrogen fertiliser
for optimal plant nutrition according to demand with weather
independant safe nitrogen delivery, reduced nitrogen loss through
nitrate leaching and reduced nitrous oxide emissions

Typical Analysis W/W

46-0-0

TOTAL NITROGEN 46.0%

NITROGEN (N) as Urea 46.0%

Urea with nitrification inhibitor (MPA) and urease inhibitor (2-NPT) 46

Heavy Metals (Cadmium, Mercury, Lead) (max) 1ppm

Biuret (max) 1.2%

Moisture (max) 0.3%

Particle Size 1.6-5.0mm (min) 95%

Highly soluble: Solubility 1080g/l at 20oC

DIRECTIONS FOR USE

CROP RECOMMENDATIONS

Turf and Nursery

Establishment 1.0-1.5 kg/100m² as required
Maintainance 0.75-1.0kg/100m² as required

Vegetable and Fruit Crops

Potatoes and Tuber crops 190-340kg/ha
Brassica and Cole crops 350-400kg/ha
Lettuce and Leafy Vegetables 250-350 kg/ha
Fruit Trees, Bananas and Vines 250-350kg/ha

Broad-acre crops and Pasture

Canola and Winter Wheat 270-380kg/ha
Winter Barley and Winter Rye 190-340kg/ha
Malting Barley 110-210kg/ha
Corn and Maize 210-340kg/ha
Perennial Pasture and Irrigated Pasture 200-400kg/ha
Annual Pasture 300kg/ha

APPLICATION

Either apply **Alzon-46** as a single application at the start of vegetation OR if split, 50-60% at start of vegetation and 40-50% as late application brought early.

SPREADING

ALZON-46 has excellent spreading properties and is suitable for use in all commercially available spreading equipment.

FERTIGATION

ALZON-46 is highly soluble and can be fertigated onto crops however is not suitable for foliar application.

BLENDING

ALZON-46 is ideally suited for blending in bulk-fertiliser mixes.

SOIL TESTING AND AGRONOMIC SERVICES

ALZON-46 is best used under the direction of a competent agronomist according to an independent soil test

SAFETY DIRECTIONS

Avoid ingestion and inhaling the product.
Avoid contact with eyes and skin.
Wash hands after use.

DISCLAIMER

As climatic, soil, application methods, irrigation, agricultural and grazing management practices are beyond the control of the manufacturer and/or distributor and cannot be foreseen, the manufacturer and/or distributor accepts no responsibility whatsoever for any commercial damage, loss or other result following the use of this product whether in accordance with directions or not, subject to any overriding statutory provision and provided that such liability under those provisions shall be limited to the replacement of the goods supplied or the rendering again of the services that are provided. The buyer accepts and uses this product subject to these conditions.
